Introduction: The Red Ribbon Club of Government Degree College (G), Kanchikacherla, organized an extension lecture on the theme "*Take the Right Path - My Health, My Right*" as part of the World AIDS Day observance. The event aimed to raise awareness about the importance of adopting a healthy lifestyle, understanding one's health rights, and combating the stigma associated with HIV/AIDS.

Objective of the Event:

1. To educate students and faculty about HIV/AIDS prevention, treatment, and rights.
2. To promote health consciousness and the significance of making informed health decisions.
3. To inspire individuals to contribute to a stigma-free society.

Highlights of the Event:

1. **Presidential Address:**

Dr. V. Neeraja, Principal of the college, inaugurated the session and highlighted the significance of World AIDS Day. She emphasized the role of youth in spreading awareness about HIV/AIDS and breaking stereotypes.

2. **Keynote Address by the Resource Person:**

Smt. K. Rani, Programme Manager at Vasavya Mahila Mandali, Vijayawada, delivered a compelling lecture.

- She discussed the importance of knowing one's health status and the rights associated with accessing healthcare.
- She explained the modes of HIV transmission and effective prevention measures.
- She encouraged students to act as change-makers by advocating for safe practices and erasing the stigma around HIV/AIDS.

3. **Interactive Session:**

The audience actively participated in an engaging Q&A session with Smt. K. Rani, addressing myths, misconceptions, and personal doubts about HIV/AIDS.

4. **Vote of Thanks:**

Dr. K. Sudha Rani, the coordinator of the Red Ribbon Club, expressed gratitude to the resource person, faculty, and students for their enthusiastic participation.

Impact of the Program:

The lecture successfully educated participants about HIV/AIDS, promoting awareness and a sense of responsibility among the youth. The interactive session provided a platform for open discussions, encouraging a proactive approach toward health-related issues.

Conclusion:

The event concluded with a pledge by all participants to take the right path, prioritize their health, and stand up for their rights. The session was a meaningful contribution toward building an informed and inclusive society.
