With reference to the above, the Ministry of Higher Education, Government of India, in collaboration with IIT Kanpur, has launched **SATHEE (Self-Assessment Test and Help for Entrance Exams)** – a transformative digital platform designed to provide free, high-quality coaching for competitive examinations to students across India in multiple Indian languages.

The primary objective of SATHEE is to transform accessibility to quality coaching, bridge educational disparities, and empower students from all socio-economic backgrounds to excel in national-level entrance exams.

**Key Features of SATHEE:**

1. **Expert-Led Resources:**
  - I. Live mentoring sessions by faculty from premier institutions (IITs, AIIMS).
  - II. Video lectures curated by IIT professors.
2. **AI-Driven Learning:**
  - I. Personalized assessments using AI/ML to identify strengths and gaps.
  - II. Interactive problem-solving forums for peer collaboration.
3. **Extensive E-Library:**
  - I. Comprehensive repository of study materials for various competitive exams (e.g., JEE, NEET, CUET, SSC, Banking, ICAR, etc.).
4. **SATHEE Crash Course:**
  - I. Intensive, syllabus-specific modules designed by IIT faculty to optimize exam preparation.

To maximize SATHEE's reach and impact in Andhra Pradesh state, the Ministry of Education and IIT Kanpur propose a collaborative partnership with our State Education Department. In this regard, colleges are requested to undertake the following information-dissemination actions:

- I. Inform all students and faculty members about the SATHEE platform (portal: <https://sathee.iitk.ac.in>) and strongly encourage their registration and active utilization of its resources with valid email IDs.
- II. Ensure that details about SATHEE are prominently displayed on college notice boards, official websites, and other digital communication channels to ensure maximum awareness among the student community.
- III. Inform students to explore SATHEE's resources regularly, as this will enhance student learning and significantly boost competitive exam readiness.

As per the directions of Government of Andhra Pradesh Higher Education Department, the Principals are requested to disseminate information regarding the **SATHEE platform** and facilitate its integration for providing **free, high-quality coaching** to students. This significant initiative, aimed at empowering students and enhancing their educational opportunities, is highly appreciated.
